

## The Brexiteer Rag

- 1) First you hold your referendum  
Start your talks and never end 'em;  
Say "I've made it very clear!"  
Brexiteer, Brexiteer, Brexiteer!
- 2) Suck up to those heads of state  
Promise them you'll legislate.  
Everybody stay inside  
Leaving would be suicide  
Doin the Brexiteer rag.
- 3) Don't let them create a hard frontier,  
Make sure there's no further Project Fear.  
You're a British politician  
Not the damned EU Commission.
- 4) The UK will not self-destruct  
Nor shall we be totally f\*cked.  
Bad deal, no deal!  
The PM's an imbecile!
- 5) Let's cut down on regulation.  
Let's control our immigration.  
Frictionless trade – there's an idea!  
Brexiteer, Brexiteer, Brexiteer!
- 6) Unelected, bureaucratic  
EU judgments are erratic.  
Hello Australia!  
The EU's a failure!  
Doin the Brexiteer  
Doin the Brexiteer  
Doin the Brexiteer ra-a-ag!

With special guest
